

m\_system::system\_stat

```
graph LR; A[m_system::system_stat] --> B[m_system::system_stat_print];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'm\_system::system\_stat'. The box on the right is white and contains the text 'm\_system::system\_stat\_print' on two lines. A dark blue arrow points from the right side of the gray box to the left side of the white box.
